

Northeastern Mycological Foray Data

Species Recorded at Frost Valley ('78), Kerhonkson ('94) & Ellenville ('02)

Agaricus campestris	Cortinarius juberinus	Ischnoderma resinatum	Pluteus cervinus var. cervinus
Agrocybe sp.	Cortinarius sp.	Laccaria amethystea	Polyporus badius
Alboleptonia sericella	Cortinarius umidicola	Laccaria laccata var. laccata	Polyporus brumalis
Aleuria aurantia	Craterellus cornucopioides	Laccaria ochropurpurea	Polyporus squamosus
Amanita ceciliae group*	Crepidotus sp.	Laccaria pumila	Psathyrella candolleana
Amanita flavoconia	Cudonia lutea	Lactarius camphoratus	Psathyrella conissans
Amanita flavorubens	Cystoderma granosum	Lactarius deceptivus	Psathyrella hydrophila
Amanita fulva	Cystostereum murrayi	Lactarius deliciosus var.	Psathyrella rugocephala
Amanita muscaria	Dacrymyces palmatus	deliciosus	Lacrymaria lacrymabunda
Amanita porphyria	Daedalea quercina	Lactarius glyciosmus	Psilocybe caerulipes
Amanita rubescens (hist.)	Daedaleopsis confragosa	Lactarius griseus	Pycnoporus cinnabarinus
Amanita vaginata	Daldinia concentrica	Lactarius lignyotus	Ramaria sp.
Amanita vaginata, cf.	Phallus duplicatus	Lactarius mucidus	Ramaria stricta
Amanita virosa (hist.)	Entoloma abortivum	Lactarius rufus	Cortinarius caperatus
Amanita volvata	Entoloma clypeatum	Lactarius subdulcis	Russula brevipes
Amanita wellsii	Entoloma sinuatum	Lactarius uvidus	Russula brunneola, cf.
Apiosporina morbosa	Femsjonia pezizaeformis	Lactarius vellereus	Russula chamaeleontina
Bankera carnosa	Fistulina hepatica	Lactarius vinaceorufescens	Russula claroflava
Bisporella citrina	Fomes fomentarius	Laetiporus sulphureus	Russula decolorans
Bjerkandera adusta	Fomitopsis pinicola	Leccinum snellii	Russula emetica
Boletellus projectellus	Galerina marginata	Leccinum sp.	Russula fallax
Boletus edulis	Ganoderma applanatum	Leotia lubrica	Russula fragilis
Boletus speciosus	Ganoderma tsugae	Leotia viscosa	Russula integra
Bondarzewia berkeleyi	Gymnopilus bellulus	Lepiota cristata	Russula mariae
Cantharellula umbonata	Gymnopilus spectabilis	Leucopaxillus albissimus	Russula paludosa
Cantharellus cinnabarinus	Gyrodon merulioides	Lycogala flavofuscum	Russula peckii
Cantharellus tubaeformis	Gyromitra infula	Lycoperdon perlatum	Russula puellaris
Cerrena unicolor	Gyroporus castaneus	Lycoperdon pyriforme	Russula pusilla
Chalciporus piperatus	Gyroporus cyanescens	Lycoperdon umbrinum	Russula variata
Cheimonophyllum	Hapalopilus nidulans	Lyophyllum sp.	Sarcoscypha occidentalis
candidissimum	Hebeloma crustuliniforme	Marasmius rotula	Schizophyllum commune
Chlorociboria aeruginascens	Helvella macropus	Melanoleuca alboflavida	Scleroderma citrinum
Tatraea macrospora	Hemitrichia clavata	Melanoleuca melaleuca, cf.	Scutellinia scutellata
Clavulinopsis fusiformis	Hemitrichia serpula	Melanospora sphaerophila	Sepedonium chrysospermum
Clavulinopsis sp.	Hericium erinaceus	Meripilus sumstinei	Spathularia velutipes
Climacodon septentrionale	Hydnum repandum	Multiclavula mucida	Stemonitis sp.
Clitocybe cartilaginea, cf.	Hygrophoropsis aurantiaca	Mycena haematopus	Stereum striatum
Ampulloclitocybe clavipes	Hygrophorus flavescens	Mycena leaiana	Stilbella sp.
Clitocybe gibba	Hygrocybe miniata	Mycena pura	Stropharia hornemannii
Clitocybe nuda	Hygrophorus nitidus	Mycena sp.	Stropharia johnsoniana
Clitocybe odora	Hygrocybe nitrata	Mycogone cervina	Stropharia rugosoannulata
Clitocybula abundans	Hygrocybe pratensis	Nectria candidans	Stropharia squamosa
Rhodocollybia butyracea	Hygrophorus purus	Neobulgaria pura	Suillus granulatus
Gymnopus confluens	Hypholoma elongatipes	Nolanea papillata	Suillus pictus
Gymnopus dryophilus	Hypholoma ericaeum, cf.	Omphalina sp.	Syzygites megalocarpus
Rhodocollybia maculata	Hypholoma fasciculare	Otidea sp.	Carcinomyces effibulatus
Coprinopsis atramentaria	Hypholoma sublateralium	Panellus stipticus	Thelephora sp.
Coprinus comatus	Hypocrea aurantiaca	Panus sp.	Trametes hirsuta
Coprinellus micaceus	Hypocrea citrina	Paxillus involutus	Trametes versicolor
Cordyceps militaris	Hypocrea gelatinosa	Peziza repanda	Trichaptum abietinum
Cortinarius alboviolaceus	Hypomyces hyalinus	Peziza sp.	Trichaptum bifforme
Cortinarius annulatus	Hypomyces lactifluorum	Phaeohelotium monticola	Tricholoma saponaceum
Cortinarius armillatus	Hypomyces tremellicola	Phellodon tomentosus	Tricholomopsis decora
Cortinarius brunneofulvus	Hypoxylon deustum, cf. (hist.)	Phlebia radiata	Megacollobybia platyphylla
Cortinarius castaneus	Hypoxylon multifforme	Phlebia tremellosa	Tubifera ferruginosa
Cortinarius cinnamomeus	Hypsizygus elongatipes	Pholiota albocrenulata	Tylopilus felleus
Cortinarius decoratus	Hypsizygus tessulatus	Pholiota lenta	Tyromyces chioneus
Cortinarius evernisi	Inocybe calamistrata	Pholiota squarrosoides	Pseudoboletus parasiticus
Cortinarius hemitrichus	Inocybe geophylla	Piptoporus betulinus	Xerocomus subtomentosus
Cortinarius herpeticus	Inocybe sp.	Ascocoryne sarcoides	Xeromphalina campanella
Cortinarius iodeoides	Inonotus glomeratus	Pleurotus ostreatus-sapidus	Xerula furfuracea
Cortinarius iodes	Irpex lacteus	Pluteus admirabilis	Xylaria polymorpha
